I write to state that a total sum of Rs 28586-14-0 has been collected from the public of Hiriyur taluk towards the construction of a Municipal High School Building at Hiriyur. An estimate of Rs 60,000/- for the building has been received from the Executive Engineer, Chittoor. Half the estimated cost amounting to Rs 30,000/- has to be contributed either by the Public or by the concerned local body before recommending to Govt for a building grant equal to the other half of the estimated amount.

In view of the urgency of the matter, the Municipal Council, Hiriyur in their meeting held on 24-12-1948 have resolved to advance the balance of amount viz, Rs 1413-2-0 after deducting Rs 28586-14-0 deposited in the S B account in Hiriyur taluk. They exclude the interest on the deposit for two years from 1946-47 out of the closing balance of the Municipality to make up half the cost of the estimate viz, Rs 30,000/- on condition that the amount paid by the Municipality should be recouped as and when the balance of the public contribution towards the building is collected.

I request you therefore kindly to obtain early sanction of Govt for the payment of a sum of Rs 1413-2-0 out of the closing balance of the Hiriyur municipal funds as resolved by the Council. A copy of the resolution of the Municipal Council is herewith enclosed for favour of kind reference. The estimate and plan have been forwarded to the Director of Public Instruction for submission to Government for the sanction of the estimate with a
